Coffee with Counsel: Bill C-5: The One Canadian Economy Act ? Impacts on Public Procurement

01:00 PM - 02:00 PM EST

Dec 9, 2025

1 PM - 2 PM ET

Virtual Event

Registration closes December 5, 2025 - 12 PM ET.

In June 2025, the federal government passed Bill C-5, creating two new laws: the Building Canada Act, to fast-track national infrastructure projects, and the Free Trade and Labour Mobility in Canada Act, to reduce interprovincial barriers. While federal in scope, these changes will affect local governments and broader public sector organizations, particularly in procurement and trade agreements.

This session builds on the article "Bill C-5 – Fast-Tracking National Interest Projects in Canada," authored by McMillan LLP in the September issue of the Caveat Emptor newsletter, and will highlight what Bill C-5 means for public sector organizations, with a focus on opportunities, challenges, and practical considerations for procurement professionals.

OPBA Ignite: National in Scope, Local in Presence: How GPOs Support Local Impact

10:00 AM - 11:00 AM EST

December 11, 2025

10 AM - 11 AM ET

Virtual Event

Registration closes December 9, 2025

What if public-sector buyers could strengthen their local economies while remaining fully compliant — without adding workload or extending timelines?

This session answers that question by unpacking how Group Purchasing Organizations (GPOs) leverage nationally scoped contracts to drive meaningful benefits at the local level. Participants will explore how GPOs support regional suppliers, create opportunities for local jobs, and ease administrative pressures on procurement teams. Attendees will gain practical insights into how GPOs can complement existing procurement strategies and help organizations meet community, economic development, and policy objectives — all while maintaining fairness, openness, and transparency.

Presenter: Sandra Lisi, Vice President Supplier Engagement — Kinetic GPO

Sandra is a seasoned procurement professional with over two decades of distinguished experience in the public and private sectors. Renowned for her strategic acumen, innovative thinking, and collaborative approach she brings a wealth of knowledge to the Kinetic GPO team as Vice President of Supplier Engagement.

As the Director of Purchasing Client Services at the City of Toronto and Interim Chief Procurement Officer, Sandra led a dynamic team of procurement professionals. She created and implemented the City's category management and strategic sourcing practice, which changed the procurement culture from a buying function to a more strategic approach and partnership with City divisions, Agencies and Boards. Her tenure at the City underscored her exceptional leadership skills and her ability to navigate complex procurement landscapes and deliver impactful results in a high-stakes environment.

Before her role at the City of Toronto, Sandra honed her skills at BMO, where she served as the Director of Strategic Sourcing & Supplier Management. During her tenure, she played a pivotal role in shaping the bank's procurement strategies and forging strong partnerships with suppliers to drive operational efficiency and cost savings.

Sandra is also the Founder of a not-for-profit organization that supports women and children who are victims of domestic violence living in Ontario shelters.
